

FALL SELECT 2025 RULES and POLICIES

"Select" is a program developed by USA Softball that provides the option for advanced players to play at a more challenging level during the recreational season. USA Softball Select is intended to allow advanced players to play against All-Star caliber teams from other leagues within the Eastern District and USA Softball of Southern California to get a higher level of competition, while keeping costs low, and without compromising the integrity of the primary recreational league.

Select is an option for the 8U through 18U divisions.

The Fall Select 2025 season will be from September 1, 2025 thru December 31, 2025.

- Those interested in a Select Head Coach position must submit a Select Coach Application for Fall 2025 to their respective divisional VP no later than 5pm, Sunday, August 24, 2025.
- Assuming the existence of qualified candidates, the Select Committee will select all Head Coaches who must then be approved by the MVGSA Board.
- Each Head Coach will recommend as many assistant coaches as needed once the team has been selected. The MVGSA Board shall review and must approve all proposed Select team staff.

- Players will be evaluated by the age division's Select coaching staff, the Select Committee, and any additional evaluators invited by the Select Committee.
- Teams will **ONLY** be formed if we are able to form a **COMPETITIVE** team. For instance, we may only have one Select team per division depending on player talent. Some divisions may not have a team at all.

- The Select Committee's role is oversight to prevent egregious errors only.
- Selected players will be notified that they have been placed on a Select team.
- Players chosen for the Select Team are expected to make softball a priority over other extracurricular activities given the heavy time commitment required (75% rec ball and 75% select).
- The final roster for a Select team may have up to fifteen (15) players per USA Softball rules, however it is the desire of MVGSA to have smaller rosters whenever possible, with a minimum of twelve (12) players.
- Players not placed on a Select team remain eligible for all MVGSA's summer All-Star team(s).
- Select teams and ALL activities MUST be approved by the MVGSA Board.
