

RECREATIONAL SPONSORSHIP FORM

Murrieta Valley Girls Softball Association is a Non-Profit softball league, welcoming girls between the ages of 4 and 18. We encourage all girls from the beginner level to the advanced level to join our league. We are dedicated to teaching our girls sportsmanship, athletics, self-worth, good character, and the value of learning what it means to be part of a team. While also having fun in a safe, family-friendly environment. Our league is run by volunteers and is dependent on the contributions of sponsors to help with the day-to-day operations. This includes improvements and maintenance of the fields and equipment for the girls. The generosity of sponsors is what makes our league operations possible. We value our sponsors to recognize the importance of investing in programs that will benefit today's youth, helping them become the leaders of tomorrow.
